

VUE GRAND CRAFT BEER & WINE LIST

Welcome to the Vue Grand Queenscliff on the beautiful Bellarine Peninsula, a true gem of the region. With its stunning beaches and fabulous historic township, it is the gateway to everything food and wine. We have wonderful synergy with our local producers and winemakers where we delight in showcasing the culmination of their labour. For us, it is of utmost importance to promote what we consider the highlights of the current vintage, a Geelong Wine Show trophy winner or an up and coming winery on the rise. Take time to peruse or ask for guidance as we hope it whets the appetite to explore and navigate the Bellarine in more detail.

Hops, malt, yeast and water. It's a simple recipe that has stood the test of time. Beer is enjoying an amazing resurgence with an explosion of breweries around the country. There seems to be a new brewery popping up every day. With the addition of our new "Vue Street Bar" we delight in serving beers from smaller producers in our region as well as iconic breweries from around the world.

Our obsession with beer at the Vue Grand over the last five years culminated in winning the "Best Beer List" in 2014 in the Gourmet Traveller "Wine List of the Year" awards.

"A list that travels the world of wine aptly but forges ahead with two great assets in local wines of Geelong, both new release and cellared, and an epic, thoughtful and very deep representation from local, national and international craft beer producers. Kudos to the list curator for a focus on brewed drinks, but for also having nous with international wines"
